TINA YANG HONOURED WITH HOMETOWN CELEBRATION

Hearty congratulations to Tina Yang! This industrious Business Leader from Coquitlam, BC was honoured on September 22 with a Hometown Celebration – her reward for reaching the rank of Key Coordinator (first time).

And Tina certainly celebrated in style! For her special day, she chose a four-hour cruise aboard a private yacht, where Tina and her guests enjoyed hors d'oeuvres, wine, and birthday cake – because it was also her birthday!

It has only been five months since we were introduced to Shaklee, and all the incentives that we have experienced are too numerous to mention. One of the biggest Shaklee effects we have experienced was attending our first Global Conference in Nashville this past August. Being there as part of the amazing North Starr Alliance group (Senior Key Coordinators Tasha Starr and Colin Doerksen) made it so rewarding. Being in the presence of such inspiring people who have been in the business for a number of years, sharing motivational stories, is one of the biggest factors for the growth we continue to experience. We would highly recommend attending the 2014 conference in Long Beach, California. The chance to share

amazing products that have improved the quality of life for so many is another motivational factor. Once you take into account all the great incentives and financial compensation we have received in our short career with Shaklee, we feel so blessed.

After the Shaklee Live Global Conference in Nashville, I was so completely inspired about being successful in this business! I set out to find and sponsor three GOLDS with the \$599 GOLD Plus PAK as soon as I got back home in August. I then set out to earn extra money with the Double Power Bonus incentive, also in August. And I accomplished both! I showed business-minded people the FastTRACK program and focused on the rewards, and told them about Shaklee's fantastic reputation and the integrity of the company and its products. I taught each of my new GOLDS to also sponsor three, like I did. We then experienced rapid growth as a team, and our volume really took

off. I broke out a new FastTRACK Director, as well as new Directors and Senior Directors down the line – all in September. Our team focuses on being of service to others' health needs and finding motivated leaders to build businesses. We have momentum, drive, and guidance from our Uplines. The rewards in Shaklee come from building a large and sound organization. This is what I am setting out to accomplish and sustain.

I am so impressed with the generous return Shaklee offers its Distributors on such a minimal investment – not to mention the awesome field support and helpful resources! – all just for genuinely sharing life-changing products with people I care about. I'm grateful to be part of a company that makes a positive impact in the world and makes me feel appreciated.

Shaklee was first introduced to me by my brother, Wayne Baldwin, in August. We purchased the Shaklee 180™ Turnaround Kit and decided that we would first use the products before committing to the distribution of them. I was only on the Turnaround for less than a month and could hardly believe not only how good I felt but also how weight and inches started to come off! As a couple, we decided to upgrade to Distributor at the end of August. At that time, my husband, Charlie, started the Lean & Healthy program. It has only been 2.5 months and I have lost a total of 25 pounds and 17 inches and have never felt better! As for Charlie, his energy level has improved immensely... We love sharing Shaklee with all of our friends and*

family. The support we have received from them, our Upline, and Shaklee has been amazing! We began to Shaklee-ize our home and are now Shaklee consumers for life. We want to share Shaklee with as many people as we can so they, too, can benefit from living a healthier, happier life!

Both my husband, Chris, and I have been trying to lose weight for years. Nothing has really worked for us and we get discouraged easy. One of my family members recently brought Shaklee into our lives and things are really taking a turn for the best. Not only are we losing the weight that was keeping us unhealthy but we are feeling amazing as well! I decided things needed to change when I had my second child and weighed 216 pounds afterward. A few short months before that, my husband hit nearly 300 pounds. Together we started making some huge changes – including the Shaklee 180™ Program, which we are passionate about. To date, Chris and I have each

lost 50 pounds! My plan is to renew our vows when my husband is 100 pounds thinner and I am 75 pounds thinner. I can't wait for the new wedding photos!

Last year in July, my husband, Peter, had a stroke. He had a great recovery, but I'm always worried about him having another stroke. When I heard about Shaklee from Senior Executive Coordinator Jocelyn Causing, I got interested in the products and ordered some to help Peter stay healthy. He's taking Vivix® Antioxidant Solution, NutriFeron®, and Vita-D₃™ – and he feels great! The second time I attended a Shaklee meeting, I signed up for a Shaklee 180™ GOLD Plus PAK. My family appreciates the value and benefits of the weight-loss products. My daughter and I have lost some inches and we're going to continue using the products until we reach our goals. Also, making some extra income by sharing Shaklee will make a difference in our daily lives.

BONUS CAR CLUB

CHRISTINA & ROCKY PRPICK ▲ BIGGAR, SK

"When we were first introduced to Shaklee and saw the Car Bonus that the Dream Plan offered," says Christina, "it seemed like a distant dream. Five months later, that dream has become a reality. At first it was a surreal feeling, but now when we look out at our new car we smile, knowing that Shaklee is making the payments! We earned this car by staying focused and following the path made by Shaklee and our Upline, and by believing and trusting in the Shaklee Dream. It truly is a bonus because Shaklee is improving our quality of life and the lives of those around us. The icing on the cake is all the incentives Shaklee offers for simply sharing amazing products that we believe in."
