**DR. RICHARD BROUSE** is a biochemist, chiropractic physician, and board-certified nutritionist. He founded Sunnyside Health Center in Portland, Oregon in 1977, where many have regained a greater measure of health by following his recommendations. He's a widely recognized teacher, author, and lecturer on health preservation and disease prevention. Dr. Brouse had the honour of meeting Dr. Forrest C. Shaklee in 1976. Since then, Dr. Shaklee's philosophy has had a profound impact on Dr. Brouse's personal and professional choices for himself, his family, and his patients.

At each of these meetings, you and your guests will be introduced to:

- ✗ Special guest speaker Dr. Richard Brouse
- ✗ Shaklee's Rx for a Healthier Life™ Pack – take daily to achieve optimal health
- ✗ Vivix®, Shaklee's revolutionary cellular anti-aging product and part of Rx for a Healthier Life™ Pack
- ✗ New products announced at 2010 Global Conference
- ✗ People who enthusiastically use and share Shaklee products
