Life-Strip includes Vivix®

Life-Strip includes Vivix Liquigels, which feature a multiple-patented, natural blend of diverse and powerful polyphenols designed to **help protect against oxidative cell damage.** This product's key ingredients have been shown in laboratory studies to protect DNA from oxidative stress and slow the formation of advanced glycation end-product (AGE) proteins, which can compromise cell integrity and longevity.

"I've just had a transformation with Vivix. I feel great, and it's changed my life in so many positive ways. Shaklee offers something amazing!"
