If you’re feeling tired or sluggish as winter drags on, get a natural energy lift – on us!

Shaklee 180™ Pomegranate Energizing Tea is a delicious, safe, natural, and quick pick-me-up – anytime.

This exclusive blend of antioxidant-rich green, white, and red teas will naturally boost your energy and give you a feeling of well-being. It also includes taurine, an ingredient known to enhance energy. What it doesn’t include is any artificial flavours, sweeteners, colours, gluten, or added preservatives. And it’s packaged in convenient single-serving sticks so you can take it anywhere.

Because you can enjoy it either hot or cold, we’re giving you two samples so you can try it each way:

1. For a super-hydrating, refreshing energy drink, mix a stick of Pomegranate Energizing Tea and 3 tablespoons of Shaklee Performance® with 8 ounces of cold filtered water and ice
2. For a warm winter boost, add 8 ounces of boiling water to a stick of Pomegranate Energizing Tea

Then enjoy!
