

# Shaklee Cares®—Request for Product Pack Distribution

When natural disasters strike, Shaklee Family Members in affected areas are best suited to assess which Product Packs are needed and how to get them to the people who need them.

To request Shaklee Cares Product Packs for those in need, complete your request below and submit to [Shakleecares@shaklee.com](mailto:Shakleecares@shaklee.com), or fax it to (925) 924-3611.

You'll receive a confirmation e-mail upon receipt of your request. Processing and shipment typically takes 7–9 business days.

Products for your Shaklee Cares Product Packs are shipped in bulk to the address you specify. Shaklee-branded plastic bags are included with your shipment so you can assemble Packs for distribution.

Shaklee Cares kindly requests that you take pictures when you distribute the Shaklee Cares Product Packs. Be sure to capture the Shaklee products, people receiving the Product Packs, and yourself in the pictures. With these pictures, we can share the great work being done by the Shaklee Family and Shaklee Cares on our website and through social media. Please feel free to share your photos on your own and Shaklee Cares social media pages, or send them to Nancy Baldwin at [nbaldwin@shaklee.com](mailto:nbaldwin@shaklee.com) and we will share them through the Shaklee social and communication channels.

Thank you for all you do!
