

The Shaklee Dream Plan: How It Works

☑ **How You Make Money in Shaklee—
Your Nine Income Streams***

1. GOLD Bonuses**

This is one of the first ways you can earn money in Shaklee. For **each** GOLD PLUS PAK you **personally** sell, you earn a **\$100 GOLD Bonus**. For **each** GOLD PAK you personally sell, you earn a **\$50 GOLD Bonus**. This bonus is paid for your sale of the products included in the selected GOLD PAK.

2. Power Bonuses

Next, you are eligible to **earn points** toward Power Bonuses each time you **personally** sponsor someone into your Shaklee group with a specified product purchase level in the month you sponsor and in your first three full months that follow. Each and every time you accrue **15 sponsoring points** during your eligibility period, you earn a **\$150 Power Bonus**. You also get a new three-month eligibility period for Power Bonuses EACH time you increase in Business Leader rank.

3. Price Differential

This is the **retail profit** that you make on product sales. You buy the product at one price and you sell it at another and **you make the difference**.

4. Personal Group Bonuses

When you and all the people in your Personal Group, including customers, generate a certain volume of product sales each month, you earn a **monthly bonus on the sale of these products**.

*For information on global sponsoring, visit MyShaklee.com, select MyShaklee tab, and click on "Shaklee Global."

**You must be a Gold Ambassador to earn, GOLD, *FastTRACK*, and International Bonuses. You become a Gold Ambassador by purchasing one of the GOLD PAKs.

5. *FastTRACK* Bonuses*

Next, you can earn extra bonuses and rewards by reaching certain Business Leader ranks in a specified *FastTRACK* time frame, starting with Director. This is a lucrative program that can help you earn up to **\$34,000 in a 15-month period**. Factoring in other income sources, those who achieve all *FastTRACK* bonuses can earn in total **up to \$100,000** in a 15-month period! And there's more! You also have the opportunity to earn **an additional \$50,000**, independent of other income sources, for taking *FastTRACK* to the Key and Master Coordinator ranks within specified time frames. It's truly a FAST TRACK!

6. Incentives

Similar to the Power Bonus point system, you can earn points in our Simple Points Program toward **exotic luxury trips** and **fabulous rewards** sponsored by Shaklee **each year**.

7. Car Bonuses

Reach 3000 Personal Group Volume and personally promote a new First Generation Director, and you can begin to qualify to earn a **monthly car bonus** toward a new car **for up to three years**. The monthly car bonus payment you can earn increases when you climb the ranks in Shaklee.

8. Leadership Bonuses

Once you reach the level of Director and you begin to develop other Directors in your organization, you earn a **monthly bonus** on the volume of **each Business Leader up to six generations** under you, depending on your rank.

9. Infinity Bonuses

Infinity Bonuses are earned **monthly up to 8%** on the volume of **ALL** Leaders in your organization **to infinity**, based on your rank and the rank of your Leaders—beginning with the rank of Senior Coordinator. There are no limits to the number of Leaders you can be paid on!

*You must be a Gold Ambassador to earn GOLD, *FastTRACK*, and International Bonuses.

1. GOLD Bonuses

- Gives you immediate money, paid weekly* each time you sponsor a Gold Ambassador with one of the GOLD PAKs. (PAK stands for “Product Action Kit” and a Gold Ambassador is a Distributor who joins Shaklee with one of the GOLD PAKs.)
- Sponsor a Gold Ambassador with a \$599 GOLD PLUS PAK = **\$100 GOLD Bonus.**
- Sponsor a Gold Ambassador with a \$299 GOLD PAK = **\$50 GOLD Bonus.**

■ Why sponsor Gold Ambassadors?

Our research has shown that Gold Ambassadors:

- Are more business minded
- Use 5X more product each month
- Are 2X more likely to reorder
- Sponsor 10X more people
- Are 200X more likely to become a Distributor

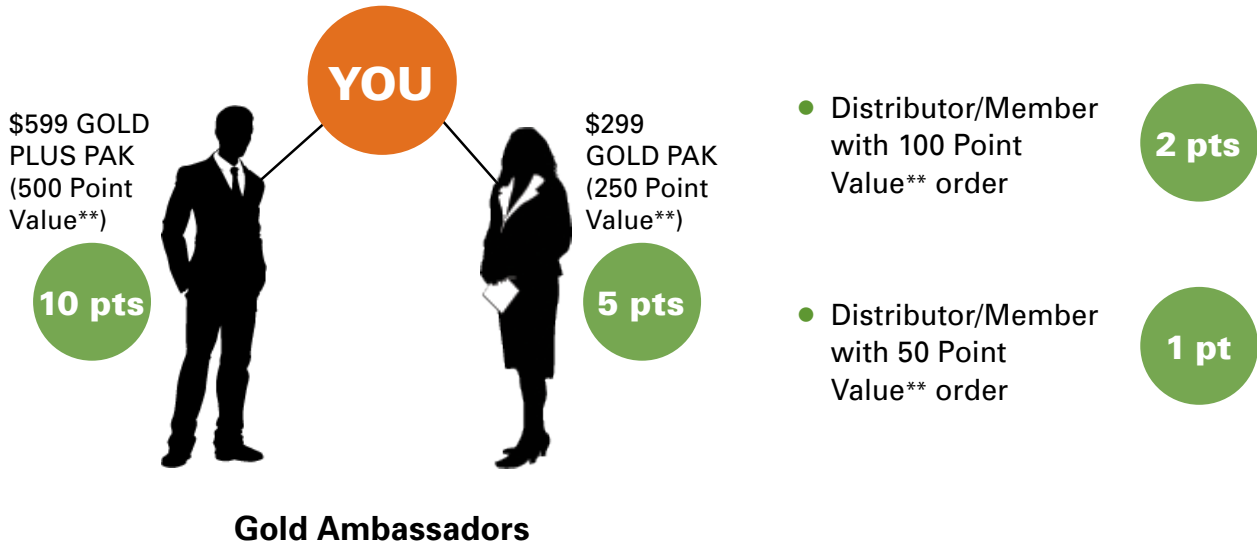

* Sign up for direct deposit and Shaklee will automatically deliver your GOLD Bonuses directly to your bank account weekly. To learn more, go to MyShaklee.com and enter “direct deposit” in the Search function.

2. Power Bonuses*

- Earn immediate money weekly
- Available the month you join Shaklee, PLUS the following THREE months—and three additional months EACH time you move up in Business Leader rank.
- Based on a simple point system
- Accumulate 15 Power Bonus points and you get \$150!
- How you earn Power Bonus points—each time you PERSONALLY sponsor the following:
 - 10 points for each new Gold Ambassador with a **GOLD PLUS PAK**
 - 5 points for each new Gold Ambassador with a **GOLD PAK**
 - 2 points for sponsoring someone with the \$49.95 **New Distributor Welcome Kit** or the \$19.95 **New Member Pack**, plus an order with a **minimum Point Value (PV) of 100****
 - 1 point for sponsoring someone with the \$49.95 **New Distributor Welcome Kit** or the \$19.95 **New Member Pack**, plus an order with a **minimum Point Value (PV) of 50****

Available in your first three months in Shaklee***

*A Member must become a Distributor to be eligible to earn Power Bonuses.

**See explanation about Point Value (PV) for products on page 7.

***And three additional months each time you move up in Business Leader rank, starting with the month after promotion.

 See How Things Can Add Up Quickly?

- Personally sponsor three Gold Ambassadors with a GOLD PAK, and you get:

GOLD Bonuses = \$150

+

Power Bonuses = \$150

That's enough to cover the cost of your \$299 GOLD PAK!

\$300

- Sponsor three Gold Ambassadors with a GOLD PLUS PAK, and that amount doubles:

GOLD Bonuses = \$300

+

Power Bonuses = \$300

That's enough to cover the cost of the \$599 GOLD PLUS PAK!

\$600

- There's no limit to the number of Power Bonuses you can earn during the months you are eligible!*
- And there is never a time limit to earn GOLD Bonuses! Each time you personally sponsor a Gold Ambassador with the purchase of one of the GOLD PAKS, you earn a GOLD Bonus!

*Includes the month you join, plus the next three months—and every time you promote to a new Business Leader rank, you get three additional months, starting with the month after promotion.

3. Price Differential

- Profit you earn from the sale of products. You buy at one price and sell at another.
- Each Shaklee product has three prices:
 - **Suggested Retail Price** for retail customers
 - **Member Price*** for Members (preferred customers)
 - **Director Price*** for Business Leaders
- Each Shaklee product has a stable **Point Value (PV)** on which bonuses are calculated. Each time a product is sold, you get PV on the sale of the product.

Suggested Retail Price (SRP):
\$93.25

Member Price (MP):
\$79.25

Director Price (DP):
\$68.40

Point Value (PV):**
55.56

Difference between prices is called Price Differential

- **How Price Differential earns you money**
 - When your customer orders products and pays the Member Price, you earn an average of 16% Price Differential. (This is the difference between Director Price and Member Price.)
 - When your customer buys products at the Suggested Retail Price (SRP), you make an average of 36% Price Differential. (This is the difference between Director Price and Suggested Retail Price.)
- **Point Value (PV) is very valuable** because most of the ways you make money in Shaklee are based on Point Value.

*Member Price (MP) has also been referred to as Member Net (MN). Director Price (DP) has also been referred to as Distributor Net (DN).

**A nonmonetary point value on which Shaklee pays bonuses.

4. Personal Group Bonuses

- These are the monthly bonuses you earn based on the PV generated by your Personal Group
- **Your Personal Group** = YOU and all the customers and Distributors in your personal team. The Business Leaders in your organization each have their own Personal Group.

- **Personal Group Bonuses** = Bonuses paid each month on Personal Group Volume total for YOU and for each Distributor/ Gold Ambassador in your Personal Group who generates volume.
- **Your Bonus percentage grows as your Personal Group Volume (PGV) grows**

<p>Your Personal Group Volume (PGV)</p> <p>↓</p> <p>Your Personal Purchases + Your Customers' Purchases + Your Distributors' Purchases</p>	<p>Up to 4% for 250 Personal Group Volume</p> <p>Up to 8% for 500 Personal Group Volume</p> <p>Up to 12% for 1000 Personal Group Volume</p> <p>Up to 14% for 1500 Personal Group Volume</p> <p>Up to 20% for 2000 Personal Group Volume</p>	<p>Distributor</p> <p>Associate*</p> <p>Director</p>
---	--	---

- Qualify for the rank of Director at 2000 Personal Group Volume with a bonus rate of up to 20%
- Requirement for everyone to qualify for Personal Group Bonuses: Minimum of 100 Personal Point Value (PV) from your own purchases and retail sales

*This is the Shaklee rank at 1000 Personal Group Volume.

 **The Importance of Personal Group Bonuses**

You make more money as you grow your Personal Group

Activity breeds more activity. The more people you have buying and sharing products in your Personal Group, the better. Successful Business Leaders recommend that you always have 40 to 50 consumers in your Personal Group, and also always have at least three active builders growing and earning bonuses each month. Having builders in your Personal Group helps you reach Director and gives you a larger bonus on the purchases of Members and customers you bring into your Personal Group.

See what happens:

You put yourself on track to get a new car and earn fabulous trips

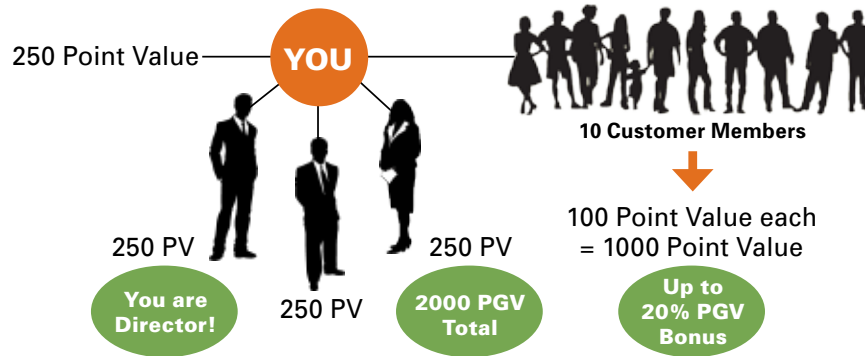

Every one of your builders is an investment in your future. You want them to be successful and grow. And when they do, you are rewarded. As they grow, so does your volume. Climb to 3000 Personal Group Volume and promote one of your Business Builders to Director, and you are on your way to driving a new car, thanks to the Shaklee Car Bonus Program. Get 18,000 Car Volume over six months in your first year, and you are on your way to an expense-paid trip to the Shaklee Global Headquarters in the San Francisco Bay area.

And that's just the beginning!

✓ **Let's Talk Dollars**

■ **Get to Director with 2000 Personal Group Volume (PGV)**

The graphic below shows how you could get to 2000 Personal Group Volume in your first month if you sponsored as a Gold Ambassador and subsequently sponsored three Gold Ambassadors and 10 Members within your first month in Shaklee. This also assumes your Member orders average 100 Point Value each.

■ **See what your earnings could look like in this example:**

3 GOLD Bonuses—\$299 PAK (\$50 X 3)	=	\$150
1 Power Bonus (5 points X 3 = 15 points)	=	\$150
Personal Group Bonus (Your 250 PV X 20% = \$50, 1000 PV X 20% = \$200, 250 PV X 3 = 750 PV X 16% = \$120)	=	\$370
Price Differential on 1000 PV on AutoShip (\$20.25 differential X 10 for Vitalizer™ and Vivix® Together Pack)	=	\$202.25
Total:		\$872.25

■ **Reach Director in your first three months in Shaklee** and you will set yourself on the *FastTRACK* by earning **free registration for two to the annual Global Conference!**

■ **Continue to build a solid Point Value base**

Your Personal Group Volume and your earnings will continue to grow as you continue to sponsor new Gold Ambassadors/Distributors and new Members into your business and help your Gold Ambassadors/Distributors sponsor using the “3 & 10—Do It Again” model. Successful Leaders recommend that you set a goal each month to reach 3000 Personal Group Volume or more. That allows you to account for varying purchase levels of your preferred customers and the growth and movement of your Distributors as they advance to Director. It also sets you on the path to earn a trip to the New Directors Conference in the San Francisco Bay Area and a new car bonus when you reach the rank of Senior Director.

■ **IMPORTANT: To maintain Director rank, you must have a minimum of 2000 Personal Group Volume EACH MONTH.***

*Also required to maintain ALL leadership ranks above Director. (See the Shaklee *P&R* on MyShaklee.com for special volume allowances when you develop a new Director.)

✓ Your Growth Strategy: Develop Leaders

Your growth strategy is to develop Business Leaders who will emerge from your Personal Group and who, in turn, will develop Leaders downline in your organization.

■ Position yourself for *FastTRACK*, Leadership, and Infinity bonuses:

● **Work to get to Director in three months or less***

Get on the *FastTRACK*. It's an extra incentive that can add to your income. You'll want to encourage your business builders to do the same.

● **Target the rank of Executive Coordinator in 12 to 15 months or less***

Successful Leaders recommend you should always articulate your next stretch goal so you know where you are going and why. Target Executive Coordinator in a 15-month time frame—you can earn up to \$34,000 in *FastTRACK* Bonuses. Should it take a little longer, that's OK, too—so long as you get there and enjoy the income you earn at that rank.

● **Visualize Master Coordinator in 36 months or less***

Now this is your BIG S-T-R-E-T-C-H goal, but every successful Leader who made it to Master will tell you that you need to visualize what you will do to make it happen. Put it out there. It can happen faster than you think! Plan to take advantage of *FastTRACK*. Reach the rank of Key Coordinator within the 24-month time frame and Master Coordinator within the 36-month time frame and you can earn up to \$50,000 in *FastTRACK* Bonuses, on top of other income sources.

■ Take a look at the average earnings and what they can mean for you!

Average Annual Income by Rank**

Figures based on 2012 earnings

*Maintenance requirements apply. See the 2013–2014 Incentives Booklet in the Shaklee Business Library on MyShaklee.com for full details.

**The average annual income in 2012 for the Business Leader ranks ranged from \$9,847 for Directors to \$672,105 for Presidential Master Coordinators. Average annual income for each rank is calculated monthly based on information reported on Form 1099-MISC for all U.S. Business Leaders who achieved the rank that month. The sum of these monthly averages is the figure reported. Results will vary with effort. Shaklee Corporation does not guarantee that any particular income level will be achieved.

5. *The FastTrack Program**

- Offers you the opportunity to earn EXTRA money and incentives for reaching specified Leadership ranks within a “fast-track” timeframe.** This program is optional, but the income and incentives offered are so spectacular that is it worth your time and energy to shoot for it. Visit *FastTRACK* FAQ’s on MyShaklee.com for complete details.

One of his First Generation Leaders, Joan, is a Coordinator with 5000 Organizational Volume. His other First Generation Leader has 2000 OV. Therefore, Joan is considered Ben’s strongest leg. 8. Leadership Bonuses

- These are monthly bonuses you earn on the Personal Group Volume (PGV) of each Business Leader in your organization—up to six generations.

The higher their PGV, the more income you generate from your Leadership Bonuses.

- See how that works.

As a Senior Director, you get a 6% bonus based on the Personal Group Volume of the 1st Generation Leaders you develop. Also, you get 3% on your 2nd Generation Leaders.

- Leadership Bonus percentages increase as you grow in rank.

The more Business Leaders you have in your organization, the greater your income will be. Look to the *Drive the Dream* brochure for the full range of Leadership Bonus percentages and requirements for the upper ranks in Shaklee. Just know: You can be paid from four generations deep for Key Coordinator to up to six generations deep for Senior Master Coordinator and Presidential Master Coordinator. That can amount to a lot of money. In fact, top Business Leaders make the lion’s share of their income from Leadership and Infinity Bonuses, as you will see.

- Take a look at how your Leadership Bonuses increase as you grow to Executive Coordinator.

	Senior Director	Coordinator	Senior Coordinator	Executive Coordinator	Keep Going
Required 1st Generation Leaders	1	2	2	3	Watch
Organizational Volume Requirement			10,000 OV	20,000 OV	Your
Percentage Payout					
1st Generation	6%	6%	6%	6%	Leadership
2nd Generation	3%	4%	5%	6%	Bonuses
3rd Generation				4%	Grow!

In addition to having a required number of 1st Generation Leaders, the ranks beginning with Senior Coordinator and above also have an Organizational Volume (OV) requirement.* Organizational Volume is your Personal Volume plus the Personal Volume of each Shaklee Family Member in your ENTIRE organization, including all Business Leaders.

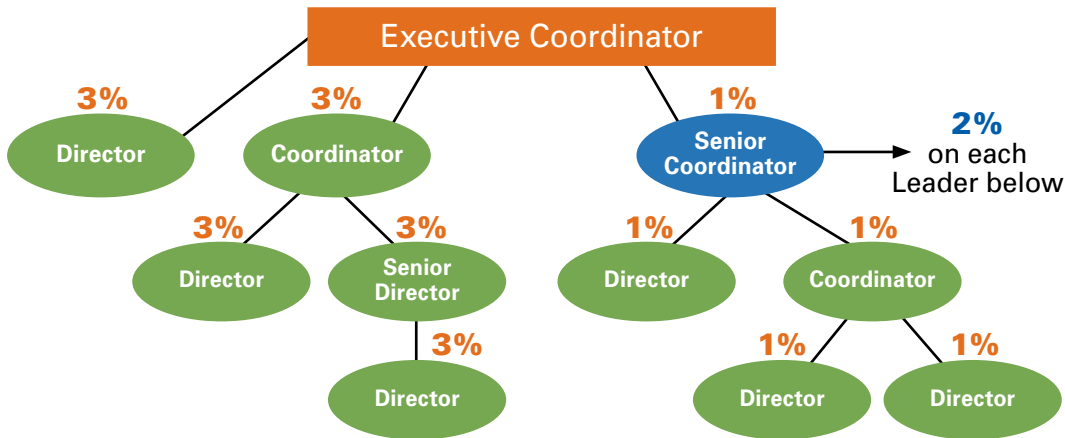

*As you reach Key Coordinator rank or above, a minimum of 50% of your Organizational Volume must come from outside the strongest leg in your organization. (A Business Leader leg is a 1st Generation Leader and his entire organization.) For complete information on rank requirements and leadership bonuses, look to the Shaklee **P&R** available on MyShaklee.com.

9. Infinity Bonuses

- These are monthly bonuses you earn on the Personal Group Volume (PGV) of each Business Leader in your organization—with NO limits to the number of generations you can have—PAID TO INFINITY.*
- Infinity Bonuses begin to be paid at the rank of Senior Coordinator and above and are in addition to Leadership Bonuses as follows:

up to 2% Senior Coordinator	up to 6% Senior Key Coordinator
up to 3% Executive Coordinator	up to 7% Master Coordinator
up to 4% Senior Executive Coordinator	up to 7.5% Senior Master Coordinator
up to 5% Key Coordinator	up to 8% Presidential Master Coordinator

- How Infinity Bonuses are calculated and paid:** In the example below, the Executive Coordinator gets 3% on his first two legs, and because the Senior Coordinator qualifies for an Infinity Bonus, the Executive Coordinator gets 1% on all Leaders in the Senior Coordinator leg, and the Senior Coordinator gets 2% on the Leaders below him.

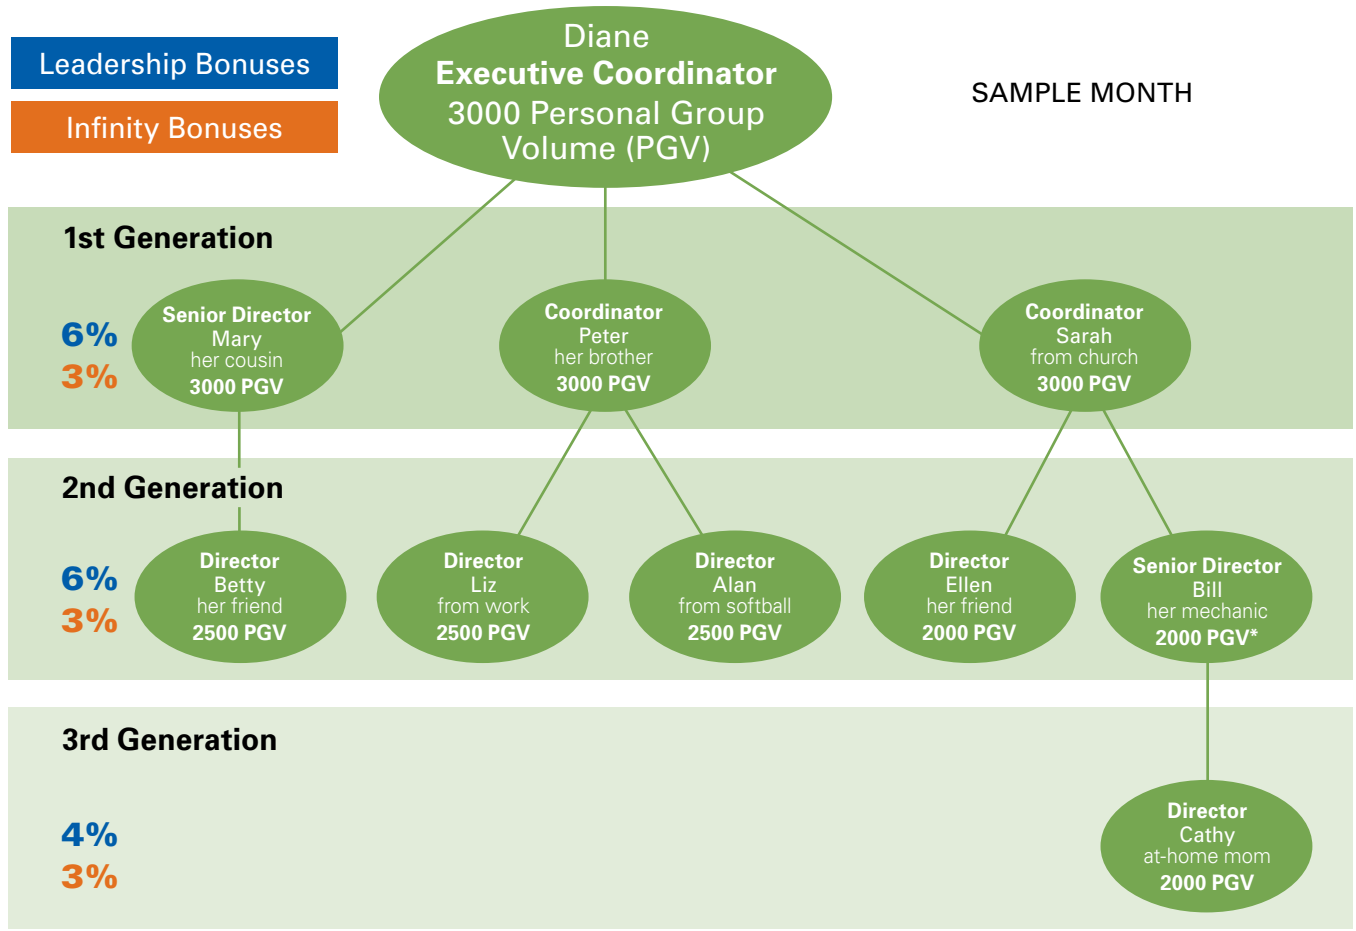

- Add the Infinity Bonus percentages you qualify for to your Leadership Bonuses and watch your income GROW!

For example, at Executive Coordinator, you earn an increase of 50% or MORE on your Leaders.** Instead of 6% (Leadership Bonuses), you get 9% (additional 3% Infinity Bonuses) on 1st and 2nd Generation Leaders—and a total of 7% (4% Leadership + 3% Infinity Bonuses) on your 3rd Generation Leaders, and that doesn't count the ongoing 3% to infinity you get on developing Leaders in your 4th Generation and beyond. The key is growing your organization of Leaders much like a grass-roots organization. It can grow exponentially as many of our top Leaders have discovered! And you can be paid Infinity Bonuses on your entire organization with no generation limitations!

*For complete information on Infinity Bonuses, look to the Shaklee **P&R** available on MyShaklee.com.

**As an Executive Coordinator, this is not the case with a Senior Coordinator leg or higher.
