TO DONATE A RELIEF PACK:†

Shaklee Cares donation packs cannot be ordered with your other products. You will need to submit a separate order for your donation of packs. This ordering process allows for Shaklee Cares to calculate your donation separately for tax purposes, and will also designate that the pack donation will go directly into inventory for Shaklee Cares relief efforts. You will receive PV on your donation when Shaklee mails out the receipt for your donation for your records. Shaklee Cares reserves the right to substitute any product at any time.

SHAKLEE CARES: PEOPLE HELPING PEOPLE

Shaklee Cares is a publicly supported, nonprofit, charitable organization founded in 1992 and dedicated to helping Shaklee Independent Distributors, Shaklee employees, and their communities in times of hardship and need, and to helping eradicate or reduce malnutrition, particularly in developing countries. Shaklee Cares contributions range from food products and cleaning supplies to cash contributions and volunteered time. In addition to making donations directly to individuals and families in need, the charity also donates to other charities and grassroots citizen groups also working to address the same needs. Since 1992, thousands of hours of volunteer time and millions of dollars in cash and product donations have been distributed to help Shaklee Family Members and their communities in times of adversity.
