You cannot order your Shaklee Cares® donation pack with your other products—you will need to submit a separate order for your donation of packs. This ordering process allows for Shaklee Cares to calculate your donation separately for tax purposes, and also will designate the pack donation to go directly into inventory for Shaklee Cares relief efforts. You will receive PV on your donation and, quarterly during the year, Shaklee mails out your receipt of your donation for your records. You can buy/donate up to 10 Shaklee Cares packs, and you get one point per pack—maximum 10 packs (any pack) for each annual incentive period—toward your incentive points.

People Helping People

Shaklee Cares® is a publicly supported, nonprofit charitable organization, founded in 1992 and dedicated to helping Shaklee Independent Distributors, Shaklee employees, and their communities in times of hardship and need, and to helping eradicate or reduce malnutrition, particularly in developing countries. Shaklee Cares contributions range from food products and cleaning supplies to cash contributions and volunteered time. In addition to making donations directly to individuals and families in need, the charity also donates to other charities and grassroots citizen groups also working to address the same needs. Since 1992, thousands of hours of volunteer time and millions of dollars in cash and product donations have been distributed to help Shaklee Family Members and their communities in times of adversity.

*Packs are donated at one price and one PV for all ranks. Packs are donated to Shaklee Cares and are held in inventory for Shaklee Cares.
