### 1. Nature Bright Laundry Soap

Dogs. Grass. Mashed potatoes and gravy. Some really nice things can cause some really nasty stains. Some really nice things can also get them out. Instead of noxious chlorine, these natural enzymes and active oxygen re-brighten laundry, de-stain upholstery, and way more.

### 4. Toilet Bowl Cleaner

Removes tough stains and leaves a fresh sent!

[ecover.com](http://ecover.com) \$4

### 5. Air Freshener

Mist Air Freshener has a wonderfully fresh fragrance that actually removes odors instead of just masking them with synthetics. Nontoxic and biodegradable formula.

### 6. Clorox Anywhere

Clorox Anywhere Hard Surface spray is a whole new way to sanitize. Gentle enough to use around pets and food, powerful enough to kill 99.9% of bacteria, including E. coli, Salmonella, Staph and Strep. And since it has no harsh fumes and leaves no harmful chemical residue it needs no wiping or rinsing.
