Mr. Robert D. Schults
President and C.E.O.
Shaklee Corporation
4747 Willow Road
Pleasanton, California 94588-2763

Dear Mr. Schults:

I am pleased to extend my congratulations to Shaklee Corporation for its receipt of this year's Environmental Protection Agency Climate Protection Award.

The employees of Shaklee Corporation have dedicated their time and resources to the noble purpose of protecting the Earth's climate, and I am pleased that the Environmental Protection Agency has recognized your efforts. Climate protection is an issue of great importance, and it is heartening to see that tonight's honorees have come from all across the globe. The innovation, responsibility, and commitment of Shaklee Corporation and as well as tonight's other honorees is a strong model for others throughout the world to follow.

Once again, congratulations to you and to everyone at Shaklee Corporation. Best wishes for an enjoyable ceremony and for continued success in the years to come.

With warmest personal regards.

Sincerely yours,

Dianne Feinstein
United States Senator
