Shaklee Cares Slide #1

- I am so proud to partner with Shaklee and be part of the mission of Making Healthy Happen™ for People and the Planet
- One of the tangible ways we do that is through our nonprofit initiative Shaklee Cares®
- Through Shaklee Cares, we are actively participating in improving nutritional and environmental outcomes for the next generation

Shaklee Cares Slide #2

- Shaklee Cares is inspired by the philosophy of our late founder, Dr. Forrest C. Shaklee, who wanted to create a company that makes a positive difference in the lives of people.

Shaklee Cares Slide #3

- Get started with Shaklee and be part of a company that's investing in nutritional and environmental health for the next generation.
- Round up any order to the next \$1 to join Shaklee Cares on our mission to bring nutritional support to children in need and reforest North America to make a greener future for us all.

Shaklee Cares Slide #4

- Here are some other ways you can support people and the planet
- When you purchase a one-month supply of Meology™ Kids – All-in-One Vitamin Gummy Packs for Kids – we give life-changing nutritional support to one child in need through our partnership with Vitamin Angels
- And when you purchase our Get Clean® Starter Kit – products that are safe around your little ones, powerful against even the most stubborn dirt, green for the planet, and smart for your wallet – we will plant one tree through American Forests®
- Every order makes a difference!
