FAQ

What is in Sustained Energy Boost* and what does it do?

Sustained Energy Boost* is an on-the-go stick pack available in two fruity flavors, Raspberry and Pink Grapefruit. It delivers a boost of energy powered by 100 mg caffeine from extracts of green coffee beans and green tea, plus chardonnay grape seed extract to promote healthy circulation, which helps deliver caffeine to the body and brain.*†

Why does Sustained Energy Boost* contain chardonnay seed extract?

Rich in polyphenols, chardonnay grape seed extract has been shown in a pilot study to rapidly enhance circulation within 1 hour.^{†1} Healthy circulation is critical for the distribution of nutrients to the body and brain. Sustained Energy Boost* contains chardonnay grape seed extract to promote healthy circulation to help deliver caffeine to the body and brain.*†

Does Sustained Energy Boost* have a flavor?

Sustained Energy Boost* comes in two flavors, Pink Grapefruit and Raspberry.

Why does it say "Energy Now, Energy Later. Naturally" on the label?

Sustained Energy Boost* is powered by nature with caffeine from extracts of green coffee beans and green tea. And with 100 mg of caffeine, Sustained Energy Boost* delivers a big boost of energy as well as long-lasting energy so you can take on the day.*

When is the best time to drink Sustained Energy Boost*?

Sustained Energy Boost* can be used anytime you need a pick me up, like before your workout. You might consider using early or midafternoon if you don't want to cause insomnia.

What's the best way to drink Sustained Energy Boost*?

We recommend mixing 1 stick with 8–10 oz. of water or your favorite drink. Shake it up. Take a sip. Get going!

How many servings are there per container?

There are 14 servings per container.

How many stick packs can I take a day?

We advise not using more than 2 stick packs in 3–4 hours. One stick pack contains caffeine equivalent to a cup of coffee, so use that as a guide as to how much is optimum for you.

Is it safe for children?

Sustained Energy Boost* is not recommended for use by children as it contains 100 mg of caffeine per serving.

Can I take Sustained Energy Boost* while pregnant or nursing?

Sustained Energy Boost* is not recommended for use by pregnant or nursing women or those sensitive to caffeine as one stick pack contains 100 mg of caffeine. If you have a medical condition, consult with a physician before using this product. Do not consume more than 2 stick packs in 3–4 hours.

Is Sustained Energy Boost* vegan? Yes.

Is Sustained Energy Boost* Star-K Kosher certified? Yes.

Is Sustained Energy Boost* gluten free, soy free, dairy free, and non-GMO? Yes.

Where is Sustained Energy Boost* made? Sustained Energy Boost* is made in the USA.
