ORGANIC GREENS BOOSTER

Organic Greens Booster is a whole food supplement that provides the equivalent of one cup of raw, organic, nutrient-rich green vegetables in every scoop, making it easy to get the vegetables often missed in meals. There are 30 servings in every canister.

Add one scoop or more to your favourite Life Shake™ or other beverage, or try it in food, such as soups, stews, or pastas. The possibilities are almost endless. Organic Greens Booster is also a great way to sneak some greens into your kids' favourite foods for a boost of phytonutrients. What's not to love?
