

## Blood Pressure Helps support healthy blood pressure

Keeping your blood pressure within the normal range is important for your health. Lifestyle, diet, and genetics all play key roles, but there are steps you can take to stay in control of your heart health.

Shaklee Blood Pressure has been designed to promote healthy blood circulation and blood vessels, and to relax blood vessels to help retain healthy blood pressure. It contains vitamins, minerals, and herbal ingredients to maintain good health and support healthy blood pressure.

Blood Pressure	
Daily dosage: 2 tablets with food	
MEDICINAL INGREDIENTS:	Amount per tablet
Potassium nitrate	416 mg

### THE SHAKLEE DIFFERENCE™

**The power of nature,  
unleashed by science.  
Safe. Proven. Guaranteed.**

At Shaklee, we're committed to innovating through science and looking to nature for the answers that can provide healthier lives. We ensure the highest quality and safety standards, conducting more than 100,000 quality tests per year to ensure our products are safe for you and your family.

#### Blood Pressure

Studies have shown the key ingredients in Shaklee Blood Pressure address two important mechanisms that are known to impact blood pressure levels in the normal range: it promotes healthy blood circulation and blood vessels and relaxes blood vessels to help retain healthy blood pressure.

### IS BLOOD PRESSURE RIGHT FOR YOU?

- ✓ If you're interested in supporting your heart health.
- ✓ If you're interested in helping retain healthy blood pressure.

*NOTE: if you have hypertension, cardiovascular disease, or ED, consult your physician before using this product. Do not discontinue any medications without consulting your physician. This product is not intended for use by children, or by pregnant or breastfeeding women.*

# Blood Pressure

## Helps support healthy blood pressure

### BETTER TOGETHER

## SmartHeart™ Blood Pressure Regimen

Designed to support optimal cardiovascular health and an already healthy blood pressure. Includes:

- Blood Pressure
- OmegaGuard® to help reduce the risk of heart disease\*
- CoQHeart® to support energy production in the heart

## Life-Strip

Even if you're conscientious about what you eat, it's challenging to ensure that you're getting the nutrients you need to support optimal health. Life-Strip contains pure and potent vitamins, minerals, omega-3 fatty acids, polyphenols, antioxidants, and phytonutrients to help create the foundation for a healthier life.

This comprehensive nutrition system contains:

- Vivix® Liquigels for cellular health
- OmegaGuard® Plus for cardiovascular health
- Advanced Multivitamin for complete nutrition to support bone and tissue health
- B-Complex for helping maintain the body's ability to metabolize nutrients

\*Supportive but not conclusive research shows consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.
