THE SHAKLEE DIFFERENCE™

The power of nature,
unleashed by science.
Safe. Proven. Guaranteed.

At Shaklee, we're committed to innovating through science and looking to nature for the answers that can provide healthier lives. We ensure the highest quality and safety standards, conducting more than 100,000 quality tests per year to ensure our products are safe for you and your family.

In a 30-day clinical study*:

- 80% of participants experienced **improved energy** levels and **decreased cravings**
- 72% of participants felt improvements in **hunger management**
- 60% of participants felt improvements in **mood**
- 74% of participants felt improvement in **quality of sleep** and **clarity of thinking**

*Based on a 7-day pilot study conducted by three Shaklee Distributors – a medical doctor and two nutritionists – under the supervision of Shaklee Medical Affairs. Preliminary study results showed an average loss of 6.8 pounds and 1.62 inches, plus increased focus and energy and improved sleep quality.
