Vitamin C (ascorbic acid)	30 mg
Zinc (zinc gluconate)	0.75 mg
Copper (copper gluconate)	0.1 mg

NON-MEDICINAL INGREDIENTS: CARAMEL, CROSCARMELLOSE SODIUM, HYPROMELLOSE, MAGNESIUM STEARATE, MEDIUM CHAIN TRIGLYCERIDES, MICROCRYSTALLINE CELLULOSE, SILICON DIOXIDE.

FAQs

What is glucosamine?

Glucosamine is a natural compound produced by the body and found in healthy cartilage – the connective tissue that cushions joints. In supplement form, glucosamine is made by the fermentation of grains such as corn or wheat.

What is boswellia?

Boswellia is sourced from the gummy resin (sap) that seeps from the bark of a small tree that grows in the dry hills of India.

What makes the boswellian Joint Health Complex special?

Shaklee uses a patented, fast-acting form of boswellia extract that provides joint comfort up to 28% faster than leading brands, 45% more effective at long-term joint comfort and 31% more effective at ease of motion.*

*Boswellia extract in Joint Health Complex has been shown in a clinical study to improve joint comfort in as few as five days.
