Vitamin D (cholecalciferol)	5 mcg (200 IU)
Zinc (zinc citrate)	1.67 mg
Elderberry (<i>sambucus nigra</i>) fruit extract 64.378:1 (QCE 1.5 g)	23.3 mg

NON-MEDICINAL INGREDIENTS: CHERRY FLAVOUR, ERYTHRITOL, FRUIT BLEND (BLUEBERRY, CRANBERRY, LEMON, ORANGE, POMEGRANATE, RASPBERRY, STRAWBERRY, TART CHERRY), ISOMALTO-OLIGOSACCHARIDES, LEMON EXTRACT, ORANGE FRUIT EXTRACT, PECTIN, SODIUM CITRATE, STEVIA REBAUDIANA LEAF EXTRACT, SUNFLOWER OIL, WATER, XYLITOL.

*Frequent between-meal consumption of foods high in sugars and starches promotes tooth decay. The sugar alcohols and isomalto-oligosaccharides in Super Immunity gummies don't promote tooth decay.

Super Immunity for Your Li'l Superhero

FAQs

Can Super Immunity gummies be taken in conjunction with other Shakleekids™ supplements such as Incredivites?

Yes.

Can adults take this product?

Yes, and we recommend 3 gummies be taken daily by adults.

What sweeteners are used in Super Immunity gummies?

These gummies are naturally sweetened with erythritol and xylitol, which don't promote tooth decay.

Is this product bad for consumers' teeth?

The sugar alcohols and isomalto-oligosaccharides in Super Immunity gummies are tooth friendly and don't promote tooth decay.

Can I give Super Immunity gummies to my child who's under 4 years of age?

This product isn't intended for use by children under 4. Consult your child's physician for children younger than 4.

Is there gelatin in Super Immunity gummies? Is this product vegan?

There's no gelatin in Super Immunity gummies, which makes this a great product for people who eat a vegan diet.
