FAQs

How do I know if Vita-Lea Gold Without Vitamin K is right for me?

If you're taking certain blood-thinning medications (warfarin or Coumadin), Vita-Lea Gold Without Vitamin K is the best choice for you. Its exclusion of vitamin K makes it a great option for individuals who need to be cautious about their vitamin K intake due to medication interactions.

How many vitamins and minerals are in Vita-Lea Gold Without Vitamin K?

Vita-Lea Gold Without Vitamin K delivers 22 essential vitamins and minerals. Additionally, it also contains essential minerals such as calcium, iodine, and zinc along with the antioxidant N-acetylcysteine.

Can I give Vita-Lea Gold Without Vitamin K to my kids?

Vita-Lea Gold (with and without vitamin K) is specifically formulated for adults 50 years and older.

Is Vita-Lea Gold Without Vitamin K suitable for people with specific dietary restrictions or preferences?

Vita-Lea Gold (with and without vitamin K) is vegetarian, gluten free, non-dairy, and Star-K Kosher. We always recommend that you consult with your physician if you have any specific concerns regarding whether a product is appropriate for you.

How should Vita-Lea Gold Without Vitamin K be stored?

Vita-Lea Gold (with and without vitamin K) should be stored in a cool, dry place.
