

ADVANCED ANTI-AGING REGIMEN

Seeing Is Believing

For a quick Before and After, demo YOUTH® products on one hand and compare results with the other. Here's how:

①

LUMINOUS GEL OIL CLEANSER

3-in-1 cleanser polishes, purifies, and prepares your skin

APPLY a small amount and smooth on the back of one hand.

EXPLAIN: At home, dispense a small amount onto wet hands and smooth over your face to remove makeup and impurities. *Mention the gentleness of the cleanser and that it can be used to remove eye makeup.*

②

PERFECTING SKIN TONER

Exfoliates, hydrates, and nourishes your skin

APPLY to cotton or gauze pad and smooth over skin.

EXPLAIN: After using the cleanser, follow with the toner to exfoliate, hydrate, and nourish the skin, leaving it glowing.

③

YOUTH ACTIVATING SERUM

Supports collagen production and renews at the cellular level

APPLY a small amount and smooth over skin.

EXPLAIN: This is the “must-have” of the collection, with gentle encapsulated vitamin A retinol, known for anti-aging benefits at the cellular level.

④ DAY

AGE DEFENSE MINERAL MOISTURIZER SPF 30

Naturally derived mineral titanium oxide provides chemical-free protection from the sun

APPLY generously 15 minutes before sun exposure and re-apply at least every 2 hours.

EXPLAIN: For daytime protection against pollution and the environment, use Age Defense Mineral Moisturizer SPF 30 to protect and moisturize.

④ NIGHT

ADVANCED RENEWAL NIGHT CREAM

Supports your skin's cell-renewal process to repair and nourish while you sleep

APPLY a small amount and smooth into skin.

EXPLAIN: This targeted night cream helps increase collagen and elastin production to make your skin appear younger, smoother, and more luminous. It regenerates and softens your skin while you sleep.
