

## Directions for best results

**standard washers**  1 oz. – medium loads  
 2 oz. – large loads

**high efficiency (HE) washers**  1 oz. – medium and large loads

**To prespot stains** Test a small spot first to make sure color won't bleed or fade. Wet fabric and rub a little Fresh Laundry right into the spot. Wash as usual. Check labels. Some flame-retardant fabrics need special care.

## GET CLEAN® Fresh Laundry Concentrate

Here's a fresh idea: Prespot your laundry with the same thing you use to wash it. This two-for-one concentrate doesn't just outperform leading detergents. It also outremoves big-name spot removers. And it does it in both high efficiency and standard washers—while protecting natural resources. How's that for a breath of fresh laundry?
