DRUG FACTS

Active Ingredient Purpose

Menthol (5%)Topical Analgesic

Uses

Provides penetrating temporary relief for minor pain in muscles and joints associated with:

• Backache • Arthritis • Bruises • Sprains

Warnings

- **For external use only.** Do not use with a heating pad. Do not apply to wounds or damaged skin. Do not bandage tightly after use.
- Avoid contact with eyes.
- Discontinue use and consult a physician if condition worsens, or if symptoms persist more than 7 days or clear up and occur again within a few days.
- **Keep out of reach of children.** If swallowed, get medical help or contact a poison control center right away.

Directions

- **Adults and children over the age of 2:** Apply generously to affected area. Massage well into painful area. Repeat as necessary, but not more than 3 to 4 times daily.
- **Children under the age of 2:** Do not use; consult a physician.
