S.M.A.R.T.™ delivery system protected by multiple patents and patent pending; U.S. Patent No(s): 5,478,570; 6,465,013; 6,852,335; 6,982,095; and 9,248,095.

The Right Nutrients to the Right Place at the Right Time

- S.M.A.R.T.™**
- Shaklee Micronutrient Advanced Release Technology™**
- Vita-Lea® Advanced Multivitamin**
Microcoated for immediate release in the stomach to enhance absorption of folic acid
- B+C Complex**
Provides up to 198% greater absorption of B vitamins over 12 hours, as shown in a clinical study, through sustained-release delivery to the small intestine
- Caroto-E-Omega**
Enteric coating helps reduce fishy aftertaste by delivering omega-3 fatty acids, carotenoids, and vitamin E to the upper intestine
- Optiflora® Probiotic**
Delivers healthy microflora to the lower intestine through triple-layer encapsulation technology, protecting them from stomach acid

Patented, cutting-edge delivery system designed to improve absorption of key nutrients.

Excellent as a prenatal/postnatal system

Exceptional Quality

- 1,000 quality tests every time Vitalizer is produced
- No added artificial flavors, sweeteners, or preservatives
- Gluten free

 - Healthy hair, skin, and nails

60 Years of Nutritional Science in One Daily Serving

The most scientifically advanced dietary supplement, Shaklee Vitalizer Women delivers nutrients your body needs daily in one easy Vita-Strip™ to help support optimal health and vitality for today's healthy, active woman.* It's also an excellent prenatal system.

Changing Brands Can Change Your Life™

The nutrients in Vitalizer are based on the results of 12 clinical studies and a first-of-its-kind Landmark Study. In this study, published in Nutrition Journal, long-term Shaklee users had markedly better overall health than non-supplement users, based on the most important heart-health biomarkers recognized by the American Heart Association®. For more information, visit LandmarkStudy.com.
