

Shaklee

SLOW AGING AT THE CELLULAR LEVEL®*

DIETARY SUPPLEMENT
60 LIQUID GELS

**An all-natural
blend of powerful
polyphenols, backed
by six patents,
designed to SLOW
AGING AT THE
CELLULAR LEVEL®.***

These polyphenols help activate your natural cell defenses to neutralize free radicals and slow development of damaging AGE proteins that lead to cellular aging.*

Our patented extraction process concentrates and preserves bioactive polyphenols from the world's most potent sources, including the rare muscadine grape.

Six patents

**Clinically tested
key ingredients**

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take 2 liquid gels daily with a meal.

ITEM #21501 XD927A

POWERFUL RESULTS

Protect and repair
Laboratory studies show that Vivix key ingredients protect and repair DNA at the cellular level.

In a clinical study, key ingredients were shown to blunt the inflammatory response of healthy people to an unhealthy meal.*

Longer telomeres

In a preliminary clinical study, Shaklee users who took Vivix had a 40% lower rate of telomere shortening across the adult age range compared to a healthy control group.*

13x more powerful than resveratrol alone in slowing a key mechanism of aging

In laboratory studies, Vivix key ingredients help slow the formation of AGE proteins, which can lead to cell damage.*
