

NOW 30% MORE POWERFUL

Protect and repair

Laboratory studies show that Vivix key ingredients protect and repair DNA at the cellular level.

In a clinical study, key ingredients were shown to blunt the inflammatory response of healthy people to an unhealthy meal.*

Longer telomeres

In a preliminary clinical study, Shaklee users who took Vivix had a 40% lower rate of telomere shortening across the adult age range compared to a healthy control group.*

13x more powerful than resveratrol alone in slowing a key mechanism of aging

In laboratory studies, Vivix key ingredients help slow the formation of AGE proteins, which can lead to cell damage.*
