Shaklee 180® Clinically tested weight-loss products* and a program with tools and support for a leaner, healthier, more energized you.

The secret to Shaklee 180 products is leucine—an amino acid that signals your body to retain muscle, so you lose the right kind of weight. On conventional diets, you lose muscle along with the fat. The Shaklee 180 Program® is designed so that nearly every pound you shed is fat. That’s right, almost all fat. So your metabolism can power on as the inches come off. And that’s the skinny. On you.
