

Directions for best results

standard washers  1 oz. – medium loads
 2 oz. – large loads

high efficiency (HE) washers  1 oz. – medium and large loads

To prespot stains Test a small spot first to make sure color won't bleed or fade. Wet fabric and rub a little Fresh Laundry right into the spot. Wash as usual. Check labels. Some flame-retardant fabrics need special care.

Use Fresh Laundry with these Get Clean products

- Nature Bright® Laundry Booster and Stain Remover
- Soft Fabric Concentrate or Dryer Sheets

*When used as directed.

GET CLEAN® Fresh Laundry

Fragrance Free
Concentrate

Here's a fresh idea: Prespot your laundry with the same thing you use to wash it. This two-for-one concentrate doesn't just outperform leading detergents. It also out-removes big-name spot removers. And it does it in both high efficiency and standard washers—while protecting natural resources. How's that for a breath of fresh laundry?
