

We believe home  
should be the  
safest place in  
the whole world.

**Directions for best results**  
Apply a few drops to a  
sponge and wash dishes as  
usual; a little goes a long way.

Liquid Concentrate

If we hesitate to mention that  
fresh-scented Hand Dish Wash is  
soft on hands and the earth, it's only  
because you might think it's soft on  
grease. But trust us. You need only  
a few drops to tackle a pile of greasy  
dinner aftermath. Really. Just a few.  
This is an exercise in restraint.
