**CAUTION:** Ask a doctor before use if you are pregnant or nursing; have nausea, abdominal pain, vomiting, or a sudden change in bowel habits that lasts over a period of two weeks; or if you are taking any drug. Take this product two or more hours before or after any drug. Laxatives may affect how drugs work. Stop use and ask a doctor if rectal bleeding or failure to have a bowel movement occurs after use of this product, which may indicate a serious condition, or if you need to use a laxative for more than one week. Keep out of reach of children. In case of overdose, get medical help or contact a poison control center immediately.

Seal under cap for your protection. See bottom for exp. date.
