*US average annual income for 2021 is based on the monthly amounts reported on Form 1099-NEC for all at that rank. The sum of these monthly averages is the figure reported above. Results will vary with effort. These earnings do not include costs to run a Shaklee Business. The only required cost is a \$49.95 join fee, which includes 3 months of personal website services. After 3 months, the personal website service is optional at \$14.95 a month. Shaklee Corporation does not guarantee that any particular income level will be achieved. New Ambassadors joining Shaklee in 2021 who have no earnings represent 22.1% of total Ambassadors (not included above). †Two Paid As Master Coordinator Legs are required. ‡Requires appointment to Director. §You may advance more than one rank in a given month, but only one rank may be earned at a time. The full maintenance is required for each rank (4 consecutive months) prior to the payment of the award and before you can start qualification for your next reward rank. You must increase your Organizational Volume (OV) for each month after the rank advancement over the month prior to the rank advancement. For full requirements, see the Statement of Privileges and Responsibilities of Shaklee Family Members and the Incentive Booklet at events.shaklee.com/dream-plan-details.
