FAQ

How many vitamins and minerals are in the Essential MultiV Drink?

The Essential MultiV Drink is a powerful, great-tasting multivitamin drink mix packed with essential nutrients foundational to overall health and well-being. It contains 17 essential vitamins and minerals, including all essential vitamins and 4 major and trace minerals. As well as 100% or more of the daily value of 12 vitamins, including vitamin D and all 8 B vitamins.

What does Essential MultiV Drink taste like?

The Essential MultiV Drink is a refreshing, effervescent, peach mango-flavored drink mix. Simply mix with water for a great-tasting, nutrient-rich drink.

How do I know if Essential MultiV Drink is right for me?

With essential vitamins and minerals foundational to overall health and well-being, our Essential MultiV Drink is a great multivitamin solution for anyone. It was specifically designed for people who struggle with swallowing tablets, people who prefer alternative delivery forms, and those looking for convenient, on-the-go vitamin solutions.

Can I give Essential MultiV Drink to my kids?

Yes. The Essential MultiV Drink can be used by kids ages 4 and over. But we recommend you try Meology™ Kids, our all-in-one vitamin gummy packs for kids.

How many calories are in a serving of Essential MultiV Drink?

The Essential MultiV Drink contains only 15 calories.

Does Essential MultiV Drink contain sugar or other sweeteners?

The Essential MultiV Drink contains no artificial flavors or sweeteners and only 1 g of sugar.

I'm currently taking a multivitamin tablet. Should I add the Essential MultiV Drink to my current program?

We recommend that you take either the Essential MultiV Drink or a multivitamin tablet. We do not recommend that you take both at the same time. While the Essential MultiV Drink is a great multivitamin solution for anyone, it was specifically designed for people who struggle with swallowing tablets.

Can I take Essential MultiV Drink with my medications?

If you are taking medications, we always recommend you talk to your physician and/or pharmacist prior to using supplements.

Can Essential MultiV Drink be taken on an empty stomach?

Yes. The Essential MultiV Drink can be taken on an empty stomach, but we recommend you drink it accompanied with food.

Is Essential MultiV Drink suitable for people with specific dietary restrictions or preferences?

The Essential MultiV Drink is vegetarian, dairy-free, gluten-free, soy-free, and star-K kosher. We always recommend that you consult with your physician if you have any specific concerns regarding whether a product is appropriate for you.

Is Essential MultiV Drink caffeine free?

Yes. The Essential MultiV Drink is caffeine-free.

Can I mix the Essential MultiV Drink with other Shaklee drinks (Life Shake™, Triple Defense Boost, Collagen-9™, Sustained Energy Boost*, Energizing Tea)?

Yes. The Essential MultiV Drink can be added to other Shaklee drinks.
