SUPER IMMUNITY GUMMIES

Super Immunity For Your Lil' Superhero*

FAQ

Can it be taken in conjunction with other Shakleekids™ supplements like Incredivites®?

Yes.

Can adults take this product?

Yes. Adults can take Super Immunity and should take 2 gummies daily.

What sweeteners are used in Super Immunity gummies?

Super Immunity is naturally sweetened with erythritol and xylitol, which do not promote tooth decay.

Is it bad for consumers' teeth?

The sugar alcohols in Super Immunity are tooth friendly and do not promote tooth decay.

Can I give Super Immunity to my child who is under 4 years old?

Super Immunity is not intended for use by children under 4. Consult your child's physician for children under the age of 4.
